The Jayo Foundation hosted its annual Jayo Invitational volleyball tournament on October 6, 2007 at Will Rogers State Beach. This foundation was created to make top quality sports facilities accessible to youth in underserved communities, raise financial support for worthy charities and encourage and empower children to seek higher education. The money raised from this year's volleyball tournament was given to Hurricane Relief with Los Angeles based Operation USA designated as beneficiary.

I, THEREFORE, MOVE that the permit fee be reduced to \$50 and the gross receipts in the estimated amount of \$1,500 be waived, with parking reduced to \$1 per vehicle, excluding the cost of liability insurance, for the Jayo Invitational Volleyball Tournament that was held on October 6, 2007 at Will Rogers State Beach.
